<p>We would like to bring to your kind notice that when a guest is traveling in a Non Ac Tata Sumo's / Mahindra Maxx / Wagon R / Indica the vehicle changes every day/Sector wise & will be on contract as per the itinerary. This vehicle is not on disposal. These vehicles cannot drop the guest, to the hotel (Government rule) and will have to leave the guest, at the Taxi Stand. From the Taxi stand, the guest are shifted into local Taxi (Maruti Van / Wagon R maximum 4 pax in a vehicle) and then transferred to their respective hotels. Again the day they are going to Lachung, Lachen or Tshangu Lake and Nathula, they have to be transfer, by local Taxi, to a different stand and then get shifted into their vehicle which is a NAC Tata Sumo / Mahindra Maxx. The same exercise is vice-versa, on their return from Lachung, Lachen or Tshangu Lake and Nathula. This Taxi fare is already included into the package price quoted. This was a practice, for all the clients traveling to Gangtok, Sikkim, in whatever category of hotels, till the government started giving Luxury Tourist Taxi Permits (LTP) to Luxury Vehicle (Scorpio / Xylo). These are the only vehicles which can pick up the guest and drop them to the hotel without any obstacle. These can be done by paying an up gradation cost. By paying the upgrade cost, the experience is completely different. This also cuts down, on time loss and hassle. If you are travelling on GRADE B and above hotels, we will <u>strongly recommend you to pay the up gradation charge.</u></p>
